Fee Schedule for Session 2025-2026

We take pleasure in informing that although, we are poised to provide several additional facilities to our students in the forthcoming academic year 2025-2026, commencing from April 2025 (like the robotics laboratory and an international LMS for the preschool), there has been no significant enhancement in the overall school fees - which remain almost the same as that of the last session. The break-up of the fee structure (2025-2026) is attached.

Parents are requested to pay the Annual Session Fee on or before 7th April 2025 in order to register the name of their ward in the class roll for the new session.

The 1st quarter fee (tuition fee & term fee) are expected to be received by 20th April 2025 (without any late fee).
